Portuguese Flair

Back in 2004, Coelho Winery popped the cork on its inaugural Pinot Noir vintage and set up shop in a building steeped in history. Today, we're crafting single-vineyard wines, from Pinot Noir and Pinot Gris to Chardonnay, not to mention our notorious Portuguese-inspired wines.

Oregon Craft

We're all about nurturing our fruit to ensure top-notch quality, and serving up authentic wines at prices that'll make you smile, perfect for making those moments extra special.
